

**Rockaway Township Competition Cheer, Explosion,
is asking for your support!**

We are a recreation level Competition Cheer program that combines dance, cheerleading, stunting, tumbling, and jumping into a performance routine. Our team is open to cheerleaders of all ages from Rockaway Township, Rockaway Borough, Denville, Wharton and surrounding areas.

Since we are at a recreational level, our program has a limited budget, and we must fundraise the remaining costs to ensure an affordable program for our community. Any donation will help offset the many expenses required to run a competition team, such as tumbling, gym rental, uniforms, travel, competition fees, etc. We want to represent Rockaway Township with pride and each of these expenses are vital to a successful season!

We appreciate your support!

Sincerely,

RTCC Explosion Cheer
